## Alternative

You also have the option to update your activity directly on your profile page. Look for the #Activity section within your profile.

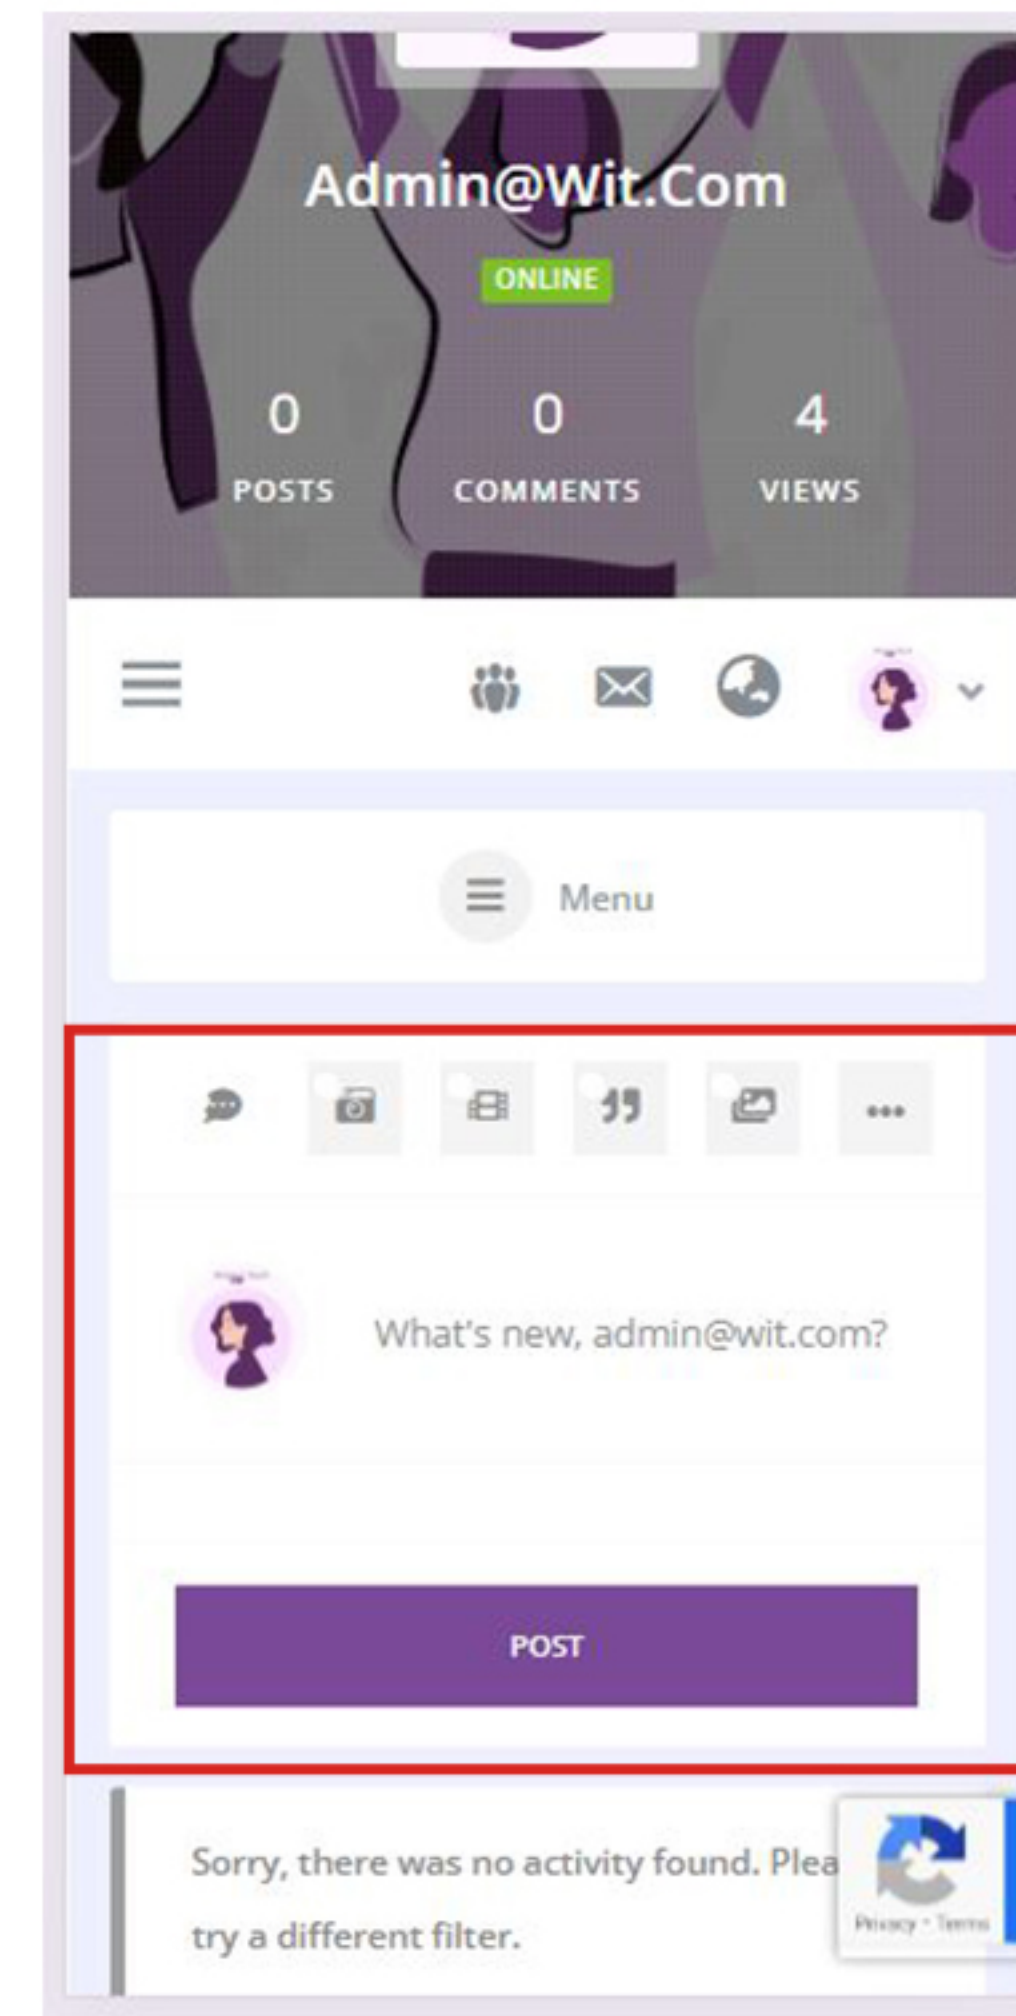

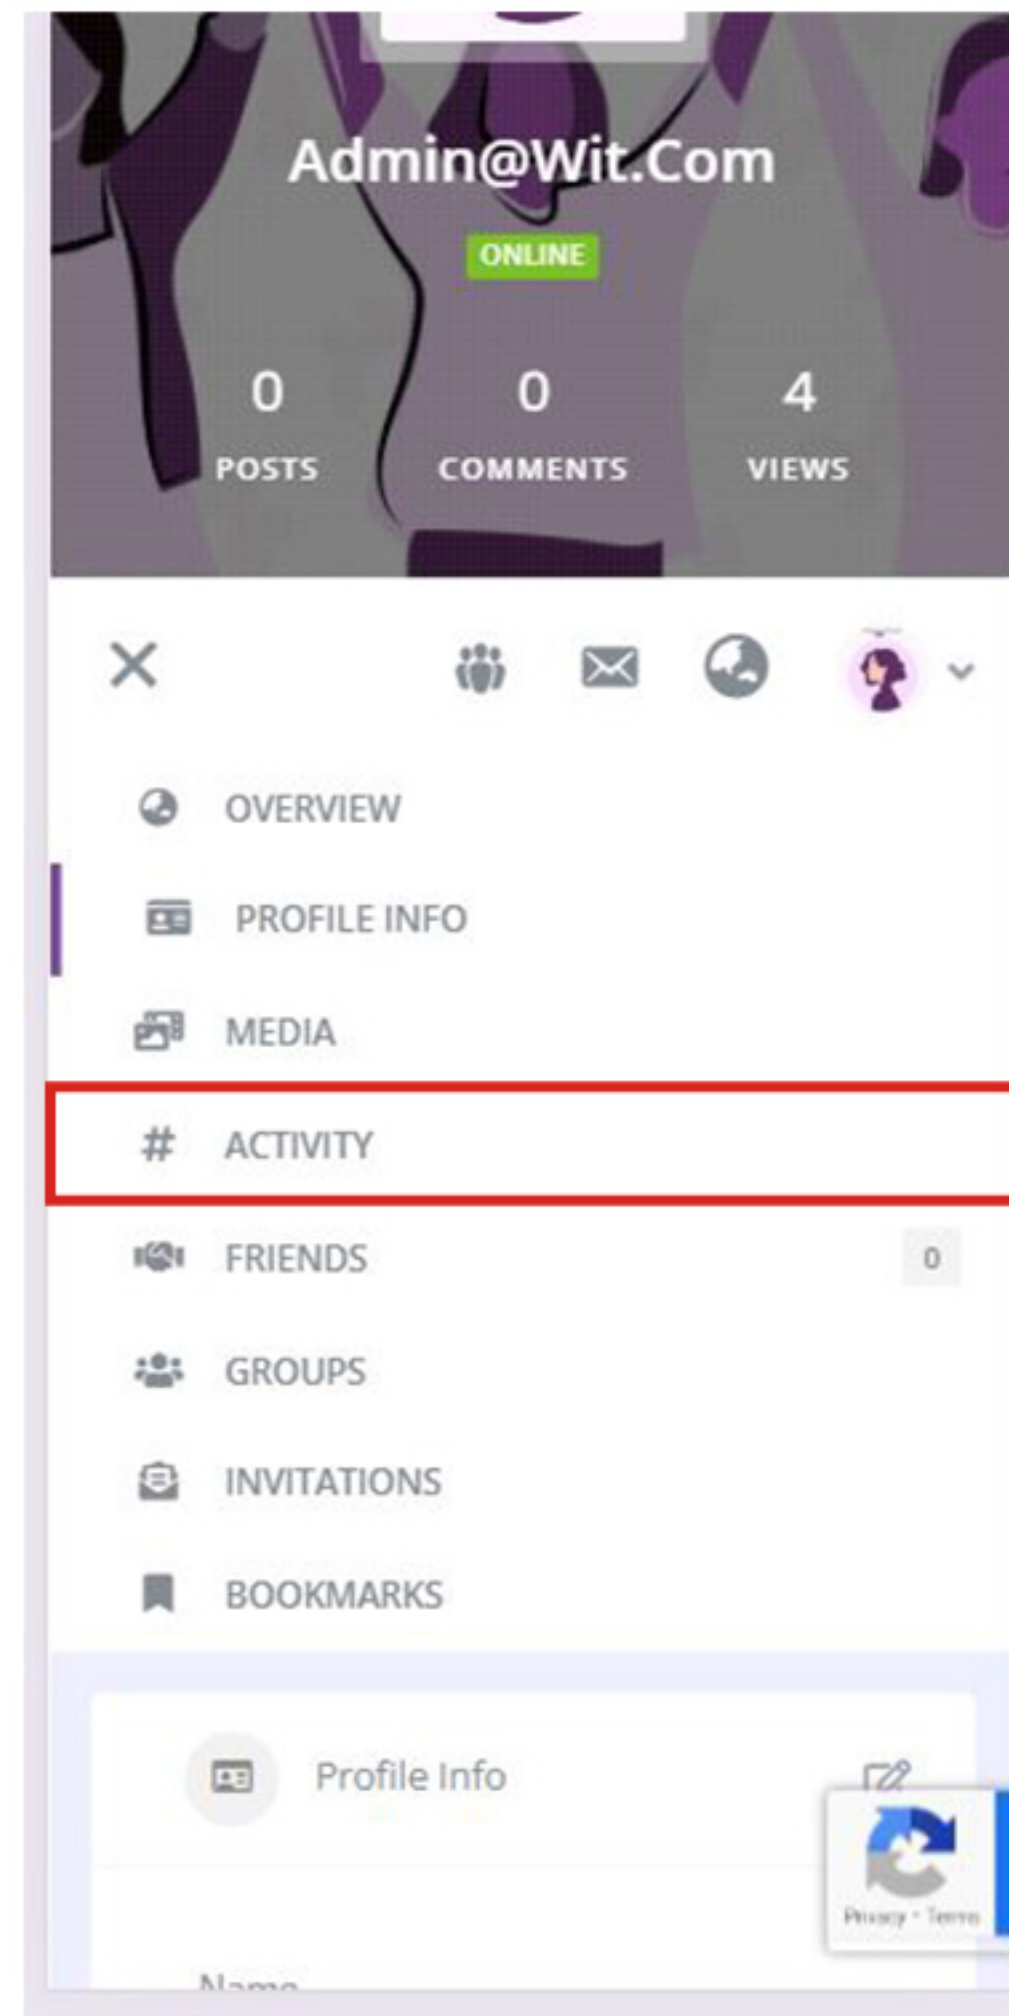

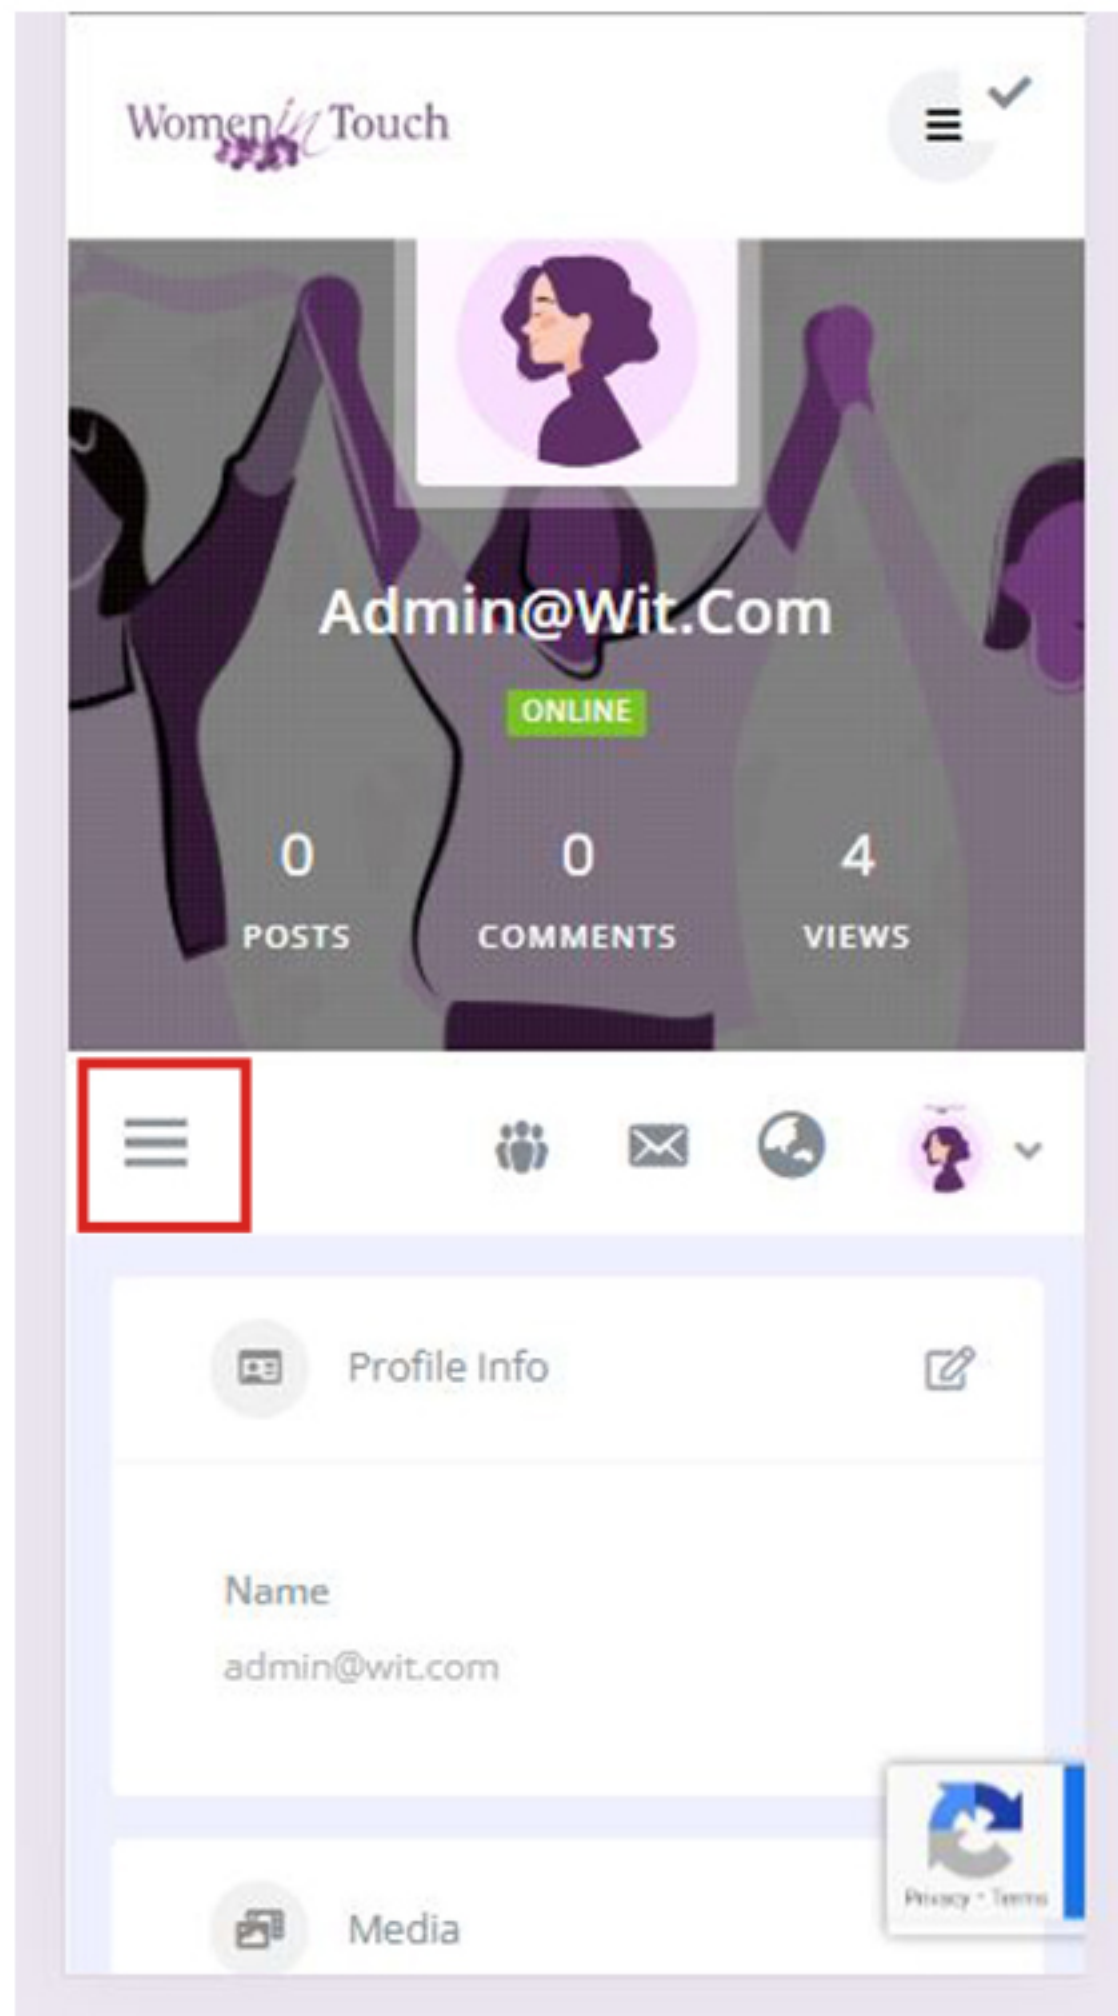

**Step 1:** Similar to the desktop view, start by logging in, then access the menu through the slide bar to reveal all available options.

**Step 2:** Select the Activity menu from the options provided.

**Step 3:** Once the page loads, you'll see a layout reminiscent of Facebook, allowing you to post updates and more. Look for the designated section highlighted in red.

**Step 4:** Click on the three dots to unveil additional upload features. Once you've completed your update, click the Post button, making your content visible to all members upon logging in.

## Alternative

**Step 1:** Just like in the desktop view, you can update your activity from your profile page. Simply tap on the three-line icon located on the left side.

**Step 2:** From there, navigate to the #Activity section.

**Step 3:** Once you've entered the activity page, you'll find a layout similar to Facebook's, where you can share updates and more.
